As a condition for receiving reimbursement grant money, MCPP/G requires a ***brief*** summary of your After Prom Event.

The summary is to be written *after* the event occurs.

**Only one hard copy necessary!**

The following information should be included: (refer to your online event evaluation)

- Estimate/actual number of adult volunteers involved in planning and involved at your event night
- Estimate/ actual number of youth attended
- A general listing of ethnic groups that attended: Caucasian, Hispanic, African American, Asian, etc. You know your community!

The summary should be on your event letterhead or school letterhead. Be sure the school is documented somewhere in the title of your summary so that I know where it is coming from. Contact information is optional. Thank you.

FYI: the summary is submitted with the required end of grant period reports (treasurer's responsibility).

Questions: Contact Meg at 301 515-7100 or [m.e.baker@comcast.net](mailto:m.e.baker@comcast.net)
